SUMMARY

Operations professional with 3+ years of experience coordinating cross-functional processes, vendor relationships, and stakeholder communication in fast-paced environments. Background includes a Bachelor's degree in Aeronautical Engineering combined with hands-on operational execution — process documentation, reporting dashboards, and end-to-end coordination across teams and external partners. Proven ability to manage multiple concurrent workstreams, track resources and timelines, and maintain accurate operational records to support audits and performance reviews.

CORE COMPETENCIES

Operational Coordination & Process Management • Vendor & Stakeholder Coordination • Resource & Timeline Tracking • Documentation & Reporting Dashboards • Cross-Departmental Communication • CRM & Database Management • Procurement & Service Coordination • MS Word, Excel & Outlook

PROFESSIONAL EXPERIENCE

Operations Executive & Content Writer

Nov 2024 – Present

ATMS Education Group, Sharjah

- Coordinate daily cross-departmental operational activities, ensuring processes align with institutional standards and timelines
- Liaise with external vendors and service providers (event venues, partner institutes) to support operational requirements and resolve issues efficiently
- Track material and resource requests end-to-end — from application through delivery — coordinating with internal teams and external providers to monitor progress and timelines
- Build and maintain Excel-based reporting dashboards used across the team for operational tracking and documentation
- Maintain accurate records and documentation to support internal reporting and compliance requirements
- Draft professional correspondence, proposals, and standardized communication templates for internal and external stakeholders

Admission Officer

Jul 2024 – Nov 2024

ATMS Education Group, Sharjah

- Managed inquiry handling, documentation verification, and CRM record-keeping within a structured team
- Maintained accurate applicant records and follow-up tracking to support team-wide reporting

Counselor / Trainer

Jul 2022 – Apr 2024

RVS College of Arts and Science, India

- Coordinated and delivered structured training programs across 6–7 undergraduate and 3 postgraduate sections, reaching approximately 250–300+ students per term
- Organized specialized training sessions by coordinating external trainers and aligning schedules across departments
- Tracked training schedules, attendance, and performance feedback across all sections
- Recognized with “Best Trainer – Soft Skills” award for consistent performance and results

Student Success Specialist

Jan 2022 – May 2022

Byju's, India

- Managed engagement, retention, and issue resolution for a portfolio of 300 enrolled learners
- Tracked learner progress and coordinated with internal teams to address service concerns

Customer Associate

Aug 2021 – Nov 2021

Amazon, India

- Handled customer interactions via phone, email, and chat while adhering to strict service-level agreements
- Maintained accurate system records and resolved issues efficiently under time pressure

EDUCATION

B.E. Aeronautical Engineering — Nehru Institute of Technology, Coimbatore (2017–2021)

- Academic focus: aerodynamics, propulsion, aircraft structures, and simulations
- Published paper: “Study on Aviation Carbon Emission Reduction by Artificial Photosynthesis”

PG Diploma in Psychology — Acharya Nagarjuna University, Andhra Pradesh (2023–2024)

- Training in psychological assessment, counseling, and behavior analysis
